Park and Walk Trail

This trail was built in 2008 by the community so parents could drive their kids to the village center, park their vehicle and then walk them out to the elementary school. The trail also serves as a physical exercise route for students at various times during school days and a scenic way to walk or ride along Mt. Olive Road.

Getting there:

From downtown Grass Valley, head toward Colfax on Highway 174 for 9.1 miles to Chicago Park. Look for the unpaved community parking lot located between the Chicago Park Store and the post office at the intersection of Highway 174 and Mt. Olive Road. The trail begins by the “Park and Walk” trailhead sign in the parking lot.

Distance: 0.6 mile one way.
Elevation change: About 50 feet from town center to school.
Uses: Parking area by trailhead cannot be used for selling cars. No other rules posted.
